FORMAT OF THE STABLEFORD CHAMPIONSHIP

This is a Stableford competition based on full handicap allowance. The strokes taken are decided by means of the Handicap Stroke Index of the course.

For example, a player with a playing handicap of 10 receives 1 stroke on the holes rated in the top 10 on the course's stroke index and no strokes on the other 8 holes.

A player with a playing handicap of 24 receives 1 stroke on each hole plus an additional stroke on the holes rated in the top 6 on the course's stroke index.

Stableford points are taken on the net score of a player on a hole. This is the gross score minus the number of strokes received on that hole.

Points are awarded for each hole.

For a double bogey or worse, no points.

For a bogey, 1 point.

For a par, 2 points.

For a birdie, 3 points.

For an eagle, 4 points.

For an albatross, 5 points.
